### Family Trees, My Family, & Self Portrait with Gary Spangler

#### Materials

1. Paper
2. Scissors
3. Glue sticks
4. Pencils/crayons/markers

#### Family Tree

1. Draw a simple tree with a short trunk with roots along the bottom of the paper
2. Draw several branches from the top of the trunk to fill the top of the paper
3. Cut circles (1 ½" to 2") from paper for family members
4. Write names on circles
5. Glue circles on tree branches
6. NOTE: start with yourself, then brothers, sisters, parents, aunts, uncles, grandparents, etc.—this will vary for each individual family

#### My Family

1. Draw your family on a piece of paper
2. This may include pets, etc.
3. May want to identify each individual

#### Self Portrait (Head and Shoulders or Full Figure)

1. Draw picture of yourself
2. Pay attention to your hair, glasses, jewelry, clothes, etc.
3. Your individual facial expression will enhance the portrait
